Registration form part 1

Concrete Canoe Race 2020

Participation costs

Participating teams are asked to pay the following amount to participate in the Concrete Canoe Race 2020:

- Per canoe: € 185,-
- Per participant € 25,-

Total participation costs = (number of canoes) × € 185,- + (number of participants) × € 25,-

These costs are for participation, use of the location and breakfast / lunch / dinner, but exclude consumptions, as well as costs that must be incurred by the organization for cleaning up clutter or storing canoes. These will be recovered from the participating team, as described in the General Terms and Conditions, Article 12.

The registration fee must be paid by bank transfer no later than 15th of April 2020. The account number is in the invoice that is sent after 15 March.

Only when payment has been received will the registration be declared valid. After the 15th of March, the second part of the registration form will be sent. The disciplines must be entered per team. In addition, it must be specified whether the number of persons specified are participants or spectators. The number of participants is final. If eventually more people want to join us, this can be done by consulting us in advance and paying on site via the pin.

The undersigned agrees with the General Terms and Conditions, the competition rules and the Construction Regulations (which can be found on www.betonkanorace.eu) which apply to participation in the Concrete Canoe Race 2020. The undersigned signs for the entire team.
