Registration Form part 1

BetonKanoRace 2023

Participation Fee

The following fee is requested from the participating teams for participation in the BetonKanoRace2023 (Concrete-CanoeRace):

- Per canoe: € 200,-
- Per participant € 32.50,-

$$\text{Total costs} = \text{€ 200} \times \text{Nr of canoes} + \text{€ 32.50} \times \text{Nr of participants}$$

These costs exclude drinks, this also excludes costs generated by lack of cleaning rubbish or having to salvage sunken canoes. Undisposed canoe(s) will impose an additional fee per canoe. These additional costs will be collected from the participating education institution, as per described in the general "Terms and Conditions" document, see article 17.

The registration fee **must be paid by bank transfer within two weeks after the receipt of the invoice**. The account number can be found in the invoice that will be sent after receiving the registration form.

The registration will only be valid when payment has been received. The second part of the registration form will be sent after the invoice has been paid. The disciplines must be filled in for each team. In addition, it must be entered whether the number of persons specified are participants or spectators. The number of participants is final. If more people ultimately want to come along to spectate, this can be done by consulting us in advance and an additional payment can be arranged.

The person signing this document (group responsible) agrees to the General Terms and Conditions, the competition rules and the Construction Regulations (see www.betonkanorace.eu) which apply upon participation to the BetonKanoRace 2023 (ConcreteCanoeRace). Note that the person who signs this form, signs for the entire team.

Please return this form digitally **before March 5, 2023** to ccr-event@u-base.org. Upon receipt of the registration form, a confirmation will be sent back within a few days.

We hope to see you in Delft at the BetonKanoRace 2023!
